PROFILE

I'm a web developer passionate about building modern, responsive websites that feel unique and user-friendly. After learning the basics of HTML, CSS, JavaScript, PHP, Laravel, and MySQL, I'm eager to apply my skills to real-world projects and grow as a developer. I enjoy collaborating with others, learning new technologies, and turning creative ideas into impactful digital solutions.

PROJECTS

- **CRUD Application :**
Simple app with Create, Read, Update, and Delete features.
- **Amazon Clone :**
Front-end clone of the Amazon homepage.
- **Netflix Clone :**
